## TO BE PRECISE

**R Krishnaswamy Constructions** is a civil engineering contracting firm dealing with contract works for private buildings, Public Works Department, TWAD Board and National Highway Authority of India.

With **Mr.R.Krishnasamy**, a renowned civil engineering contractor with more than 4 decades of experience at the helm of affairs and ably assisted by **Er.K.Ravikumar** and **Mr.K.Rajkumar** who bring in technical and managerial expertise, the firm has established itself as a force to reckon with.

The philosophy of the firm is based on 4Ts – Truth, Trust, Time and Technology. With the 4Ts as our moral standards, we ensure that we not only do our works to the T, but leave goodwill and good name behind along with a building.

We have placed utmost priority in equipping ourselves with the twin M's of Manpower and Machinery. We have a big team of skilled construction personnel and a fleet of high end construction equipments to match.

Our projects have always had their tryst with deadlines and we believe not in mere satisfaction, but delight of our customers. We owe this to our management strategy which has passion, knowledge and experience as its roots.

With **R Krishnaswamy Constructions**, you can assure yourself of a high quality buildings, roads that is completed within the time and even high quality relationship that stands the test of time.

## EMPOWERED WITH MANPOWER

**R Krishnaswamy Constructions** has an army of skilled personnel who can undertake all sorts of civil engineering works. We have more than 200 dedicated personnel to work for construction sites ranging from masons, to mazdoors.

We also possess skilled personnel in the areas of carpentry, plumbing, painting, bar bending etc and that ensures that we always look for specialists inside.

We have dedicated personnel to look after building works, road works, water works etc.

Our manpower wing is strengthened by periodic training programme on planning of resources, use of machinery, time management, relationship management etc and we believe by equipping them we are equipping ourselves.

## MILESTONES WITH MACHINES

**R Krishnaswamy Constructions** has equipped itself with the state of the art machines required for construction of major civil engineering projects.

Independency in construction machinery has been our forte. We have all important machinery as simple as rollers and mixers to as sophisticated as earth movers and bull dozers. We even have our own Ready mix concreting units and brick units to cater to our needs.

With our fleet of machines and a qualified team of operators to match, we ensure speed and quality in construction.

## OUR PHILOSOPHY

**R Krishnaswamy Constructions** believes on the 4Ts – Truth, Trust, Time and Technology.

For us truth is, was and will always be the top priority as we being Indians believe that Truth alone triumphs. When our world operates under thrust, we believe in operating under trust. Trust is our concern and capital. Time of completion of work and timely completion of work are not business processes for us, but our philosophies. We strongly respect Time which waits for no one. And we also won't keep our processes and our people. We also believe in the proper use of technology for simplification, speed and superior quality. With these 4 Ts, we are best suited for construction projects to a T.
